

Because in Rotherham we help each other.

Achieving your CSR and Social Value Goals in partnership with Citizens Advice Rotherham & District

At Citizens Advice Rotherham and District, we are a local, independent charity providing free, expert advice on issues such as debt, benefits, housing, and energy costs.

We're here to make sure no one has to face a crisis alone, helping people find a way forward when they need it most.

A Stronger Rotherham Starts Together

Every conversation we have, every problem we solve, helps build a more resilient Rotherham.

"I didn't know where to turn. Citizens Advice helped me find a way forward."

Why This Matters to Your Business

When people are struggling financially, it doesn't stay at home, it follows them to work.

By supporting Citizens Advice Rotherham, you're not just helping individuals, you're strengthening:

- Your workforce wellbeing
- Your local economy
- The community your business depends on

Let's Explore Together

Volunteer with us:

Encourage your team to volunteer their time a skills, widening their own experiences and supporting our community. This could be:

- Becoming an advisor
- Reception support
- IT support
- Fundraising & events
- Marketing & Comms

Donations

Contribute financially to support our running costs or donate in a non-monetary way through goods, services and sponsorship

- Fund 40 hours of advice per year
- Donate IT equipment for our team

Pro-Bono work

Offer your professional services to support our team:

- Offer IT advice and support
- Help us develop our charity goals and deliver them
- Provide guidance in fundraising messaging
- Provide training to our team

Support Your Workforce:

With a recommended donation of £100, bring Citizens Advice to your team for financial health check, energy advice, and support with any other issue. Helping employees manage stress and feel more in control of their lives.

Boost wellbeing, improve morale, and strengthen retention within your team.

Share Your Skills:

Give your team the chance to mentor, provide practical expertise, or help with hands-on tasks at our Advice Hub, helping residents access the support they need.

Grow your team's skills while strengthening our local community.

Got an Idea? Let's Make It Happen

We're always open to new ideas and ways to work together. If you want to support the community in a way that suits your business, let's have a conversation!
